

A recipe for harmony

Ever since you were very young at this school, we have been learning the tune to new songs called a melody. We can keep the melody the same, and change what it sounds like underneath. This is called **harmony**. With a partner, I would like you to pick a melody, pick a dynamic level (volume) and pick how you want your **harmony** to sound.

Name: _____

Name: _____

Melody

Mary Had a Little Lamb

Twinkle, Twinkle Little Star

My Country tis of Thee

Jingle Bells

Frere Jacques

Good King Wenceslas

Take Me Out to the Ballgame

Star Wars

Dynamic Level
